

Clear Legal Writing I

The following content will be presented in this seminar:

You will discover self-editing techniques that will quickly uncover the clarity issues in your English writing. To address these issues, you will receive a revision roadmap enabling you to transform overly-complex explanations into clear and natural business advice.

Sample topics:

- How to quickly convert long, passive-sentences into easy-to-follow text.
- How to avoid legalese and other overly-complex linguistic styles.
- How to speed up the writing process by following fundamental English patterns.
